PROPOSED COMMUNITY OF INTEREST

Topic area:

Describe the goals of your Col, a knowledge exchange project that you would undertake with EENet support, and some of the potential outcomes (for example, enhanced partnership and collaborations between sectors, raised awareness of certain issues, making evidence more accessible). Maximum 1500 characters.

How will your Col address gaps or priority areas in Ontario's mental health and addictions system?

How will it address themes in EENet's Sharing Together report?

Please also indicate if your Col is relevant to LGBTQ+ issues or Northern, rural, and remote issues.

Maximum 2000 characters.

Describe the membership of your Col and how you will support active participation from members, and the inclusion of perspectives from diverse sectors, populations, and roles within and outside of the mental health and addictions sector. Maximum 1500 characters.

What specific activities will your Col engage in and how do these proposed activities align with the goals of your Col? Maximum 1500 characters.

What supports will you require from an EENet Knowledge Broker to carry out these activities?

Please use your "Ctrl" button to select all that apply.

What supports and resources, if any, do you already have in place to carry out these activities? Will your Col have administrative supports? Maximum 1500 characters.

How will you apply a health equity lens to these activities? Maximum 1500 characters.

What barriers or challenges might your Col face? How will you address them? Maximum 1500 characters.

How will you know if your Col has been successful in achieving the goals you outlined above?

Maximum 1500 characters.

What measures will you put in place to ensure the long-term sustainability of your Col? Does your Col have a co-lead or a back-up lead? Maximum 1500 characters.
